

The CVP-500 Automated Packaging Solution.

See how the CVP-500 works to save you time and money.

Fit-to-size auto-boxing technology measures, constructs, tapes, weighs and labels each parcel in one seamless process. It addresses key shipping industry challenges—from exponential increases in e-commerce orders to supply chain labour shortages and rising shipping volumes.

Build the best box around the contents.

Revolutionize your packaging process with auto-boxing technology.

Corrugate Feeder uses agnostic fan-fold material for quick replenishment and reduced inventory.

Reduce or Eliminate Void Fill with a fit-to-size box, resulting in less damage and a greatly reduced per-unit cost.

Increase Productivity as orders are scanned and custom boxes are configured every 7 seconds.

Reduce Labor Costs by eliminating 8 to 16 packaging stations and ensuring smooth workflows even during peak production periods.

Order Weight Verification optimizes rate shopping via an in-line scale, assuring accurate weight and measurements of each parcel.

Fully Integrates with Optional world-class freight-rating shipping software to automatically print and apply carrier-compliant shipping labels.

Easy Open Box taped on 2 sides allows for easy open, recycling, or returns, improving the customer experience.

One Operator required to produce high-volume packing speeds.

Scanner Captures 3D Image of each unique order to determine the minimum box size required.

Reduce Volume-dependent freight costs with the correct-sized box for every order.

Optional Robotic Arm inserts invoice or promotional materials for greater efficiencies.

Carrier Compliant Labels are created and applied to ensure accurate delivery.

Smallest Size Package
24cm W X 18cm L X 10cm H
Largest Size Package
60cm L X 55cm W X 40cm H
And all sizes in between

Customer-Focused Service Solutions

Installed in 9 countries worldwide, Neopost offers 24/7 remote support, on-site scheduled service calls, and a dedicated OEM parts distribution center. We customize our plans to meet your needs.
